7.  19.2.24

HOD presided over the meeting. The following resolutions are taken unanimously:

1. The resolutions of the last DC meeting dated 05.02.2024 are confirmed.
2. Regarding Agenda 1, the members discussed the matter on the choice of the Optional Papers of Semester IV, Paper ECO401, to be made by the students and requested the HOD to seek options from the students at the earliest convenience.
But the members seriously thought about the feasibility of arrangement of the practical examination of Paper ECO492 (Computer Application in Economics) in the departmental computer room having lesser than the required capacity. To solve the problem permanently the members decided that a request be made to the Hon'ble Vice-chancellor for providing one room adjacent to the department with the installation of around 30 computers.
Regarding the Internship of the students as a substitute to Dissertation writing of the Paper ECO 405 the members decided that the concerned teachers would contact the industries/NGOs/Firms/Institutes in their networks to make any such arrangements at their earliest conveniences. If found suitable scopes for such internships then the class and related subject modules would be finalized by March 2024.
3. Regarding Agenda 2, the ICSSR Project Coordinator Professor Pinaki Das briefed the program schedule/itinerary of the said workshop to be held on the 22nd of February.
4. There was no agenda in the miscellaneous head for discussion.
