HOD presided over the meeting. The following resolutions are taken unanimously:

1. The resolutions of the last DC meeting dated 07.03.2024 are confirmed.
2. Regarding Agenda 1, the members discussed the urgency of sending the NAAC data and agreed to put the data in the prescribed format at their earliest conveniences.
3. Regarding Agenda 2, the names of the paper coordinators of Sem II are fixed as: ECO201-DM, ECO 202-PD, ECO203-SM, ECO204-RD, ECO205-CC.
4. Regarding Agenda 3, the members discussed on the notes given by the Hon'ble Vice-chancellor on 05.03.2024 on the request placed by the HOD dated 20.02.2024 regarding allotment of 20 more computers for the department and one room adjacent to the department for the said purpose to cover up the syllabus of a Practical Paper, ECO492 (Computer Application in Economics). The members requested the HOD to communicate to the Hon'ble Vice-chancellor that the students of either of the semesters would have to use computers for quantitative exercises as covered mainly in the two special papers (ECO301A&B, ECO302A&B, ECO303A&B, ECO305A&B) involving Econometrics & Agricultural Economics, Dissertation Paper (ECO405), and one optional paper (ECO401), Data Analytics which is purely computer based, in addition to the common paper ECO492. But for the installation of the 30 computers (10 existing and 20 demanded) the department needs one room of required size adjacent to it. It is further noted that one adjacent room originally allocated to the Department of Economics is presently used by the Department of Zoology which was given to them on a temporary basis. The members thus decided to request to the Hon'ble Vice-chancellor through the HOD to kindly approve the allocation of the said room as well as 20 more computers to the Department of Economics for the sake of the students' benefits through the proper completion of the syllabus.
5. There was no agenda to discuss in the miscellaneous head.
