The Call for Papers has been circulated accordingly.
3. Regarding Agenda 2, the present members requested Professor Pinaki Das to prepare the draft structure of the syllabus with contents of the proposed 30 hours add-on course on 'Skill Development in Data Analysis'.
4. Regarding Agenda 3, the Departmental Committee members discuss among themselves the feedback given by the students of Sem II and Sem IV for the session 2023-24. It is observed that all the evaluated faculty members have secured the average score of more than 4 (very good) in both the semesters. However, it is noted that there is scope of further improvements in the following items, "providing updated information", "returning answer scripts of internal examination", and "rating of syllabus". All the faculty members have resolved that they will do the needful in their capacities.
5. There was no agenda in the Miscellaneous head.
