Dear Sir/Madam,

As per the approval of our Honorable Vice Chancellor Sir and the discussions held during the meeting on June 17, 2025, we are pleased to share the guidelines for the smooth conduction of NET/SET/GATE training aimed at enhancing student support. We kindly request you to forward this email to the faculty members of your department to ensure everyone is informed about the guidelines. Your cooperation in this matter is highly appreciated, and we look forward to working together to provide our students with the best possible support during their training.

Guidelines for NET/SET/GATE Training:

1. At least one dedicated class on NET/SET/GATE should be incorporated into the routine. Heads of the Departments may consider utilizing the time slots for CBCS classes since these will be conducted online through SWAYAM.
2. Two mock tests (scheduled 15-20 days apart) are to be organized during each semester.
3. Each department should maintain a separate register to keep records of the classes conducted.
4. Departments should involve full time research scholars who have recently cleared the NET/SET/GATE examinations in the training sessions. In departments where there are no full-time scholars, classes may only be conducted by faculty members.
5. The Head of the Department and a designated faculty member / full time research scholar will be responsible for recording the number of students who appeared for and cleared the exams. They will also prepare a report on the program, which should include the names of the faculty members and research scholars who conducted the classes, as well as data on student attendance and examination outcomes.
6. The schedule of holding general/first paper classes will be communicated to the departments after necessary consultations.

Thanks & Regards,

Professor Indranil Acharya and Dr. Dipanwita Dutta
